BRB-- We have been using Bill Bryson's A Walk in the Woods for a few years now, but we will be selecting a new common read in the coming weeks.

FDL-- Omnivore's Dilemma: A Natural History of Four Meals/Thinking about Food

FOX--2009-2010 – Sustainability, common read 'Affluenza' by DeGraaf, Wann, and Naylor

MAN-- Blue Devils Get Fit Campus Theme \* We've worked hard this year to propose a series of LEA courses to start next year, which will address our at-risk students and serve as programming for students on probation. These courses are scheduled to begin in Fall 2010, and include LEA 101, 102, and 106

MSF-- This year we did a campus theme on "Why People Believe Weird Things"

MTH-- Shared Theme – Building communities

WAK—Into the Wild
