Financial Aid and Winterim

Upon the request of the student, the UW Colleges Student Financial Aid Office will add the cost of a student’s winterim class to the standard spring 2014 term cost of attendance in order to maximize a student’s loan eligibility. This applies to only those students who are not already using their maximum loan eligibility during the academic year. Any additional loan funds for which a student may be eligible will not be disbursed until the regular spring term disbursement on February 10, 2014. Students will not receive additional grants for winterim nor are the winterim and spring term credits combined to determine Pell Grant eligibility.
