This form has two sides. Read and complete BOTH sides.

**Student**: your 2014-2015 Free Application for Federal Student Aid (FAFSA) was selected by the U.S. Department of Education for review of your enrollment and federal financial aid history. Following the instructions below in items 1 and 2, submit this completed form and required documentation so that a determination as to your continued financial aid eligibility can be made. **Write your name and ID at the top of each attached statement and document.**

1. **Enrollment History**

   On the reverse side of this form, list all schools from which you received Federal Pell Grant funding during award years 2011-2012, 2012-2013, and 2013-2014. Access the National Student Loan Database (NSLDS) at [www.nslds.ed.gov](http://www.nslds.ed.gov) to assist you in providing this information. You will need your federal student aid PIN.

   - Include all schools from which you received Federal Pell Grant funds, even if you withdrew from or did not earn credit (completed a class with a passing grade) at that school.

   - **Attach an official academic transcript for each school listed**:
     - Transcripts from UW Colleges campuses (UW Baraboo/Sauk County; UW Barron County; UW Fond du Lac; UW Fox Valley; UW Manitowoc; UW Marathon County; UW Marinette; UW Marshfield/Wood County; UW Richland; UW Rock County; UW Sheboygan; UW Washington County; UW Waukesha; and UW Colleges Online) are not required.
     - Transcripts from other University of Wisconsin System schools and all other institutions are required.

   - Incomplete submissions will be returned to you and will delay aid processing.

2. **Failure to Earn Credit**

   For each school listed where you failed to earn credit, attach a separate statement explaining the circumstances resulting in your failure to earn credit. Include documents that support your statement of explanation. In most cases, the documentation needs to be from a third party, someone not related to you (work supervisor, medical professional, clergy, social worker, counselor, etc.) who is familiar with your situation and can support your case. The documentation should be on letterhead, where applicable, and include relevant dates. All letters must be signed.

   Examples include:

   - Death of an immediate relative or loved one. Indicate the relationship between yourself and the deceased, and include a copy of the death certificate/obituary.

   - Documented illness or hospitalization of yourself, child, spouse, parent, or other close family member. Include dates, letter from doctor, and medical records. If you were the one who was ill or hospitalized, also include a letter from a medical professional addressing whether the issue has been resolved and indicating your readiness to return to school.

   - Military withdrawal (include documentation from commanding officer).

   - Victim of a crime or unexpected disaster (include a copy of police report, court records, insurance claims as to disaster, third-party letters).

   - For other circumstances, explain the situation and include supporting documents from third parties familiar with your circumstances.
