Student: complete the below for you (and your spouse).

On your **2017-2018 Free Application for Federal Student Aid or FAFSA**, you indicated you were not required to file a 2015 federal income tax return and did not file. As part of the aid Verification process, you must confirm your tax filing status and all income earned from work in calendar year 2015.

Did you or will you file a federal tax return for 2015? YES NO

If YES, you must provide income information to the Student Financial Aid Office.

You may do this in one of two ways:

1. Attach to this form a signed copy of your 2015 Federal 1040, 1040A, 1040EZ, or e-file tax return. If submitting a return prepared by a tax preparer and IF you have NOT signed the return, it MUST have the preparer's name (not the name of the tax preparation company) and the preparer's PTIN (Preparer Tax ID Number); or the preparer's SSN or EIN (Employer ID Number) and has been signed, stamped, typed, or printed with the preparer's name and address. If you do not have a copy of your 2015 federal return, proceed to option 2.
2. Request a 2015 Tax Return Transcript from the IRS at www.irs.gov, click "Get a Tax Transcript" under Tools and then choose between "Get Transcript Online" and "Get Transcript by Mail" as you prefer, or call the IRS at 1-800-908-9946. Attach the 2015 Tax Return Transcript to this form once received from the IRS.

If NO, list the employers and other sources of income received in 2015 including the amount of money from each. *If you did not work, list \$0.*

- **W-2 form(s) are required if provided to you by your employer. Attach W-2s to this form.**
